No. Can you also send him the STAR release that's going out today?

Thanks,

Attached is the updated release with Noah's quote. We still don't have the greenlight from the state.

All,

The 404 press release was not distributed on Friday due to a number of reasons. I'm still waiting for a quote from FDEP and to see when the state will be ready for us to distribute. Attached is the most recent version.

Brandi – Per our discussion please see additional edits from OWOW (in blue text below). I'm good with the edits, and if you have any questions please let me know. Tom

Thanks Matt.

I shared the draft with OWOW staff and they had a few suggestions that I'm passing along (see bold language below).

Good morning! I have one correction to the write-up below. Noah Valenstein is the Secretary, not Director, of FDEP.

Wow. Thanks Tom; you can write a good press release! We'll work up something for Mary's quote. Still waiting on FDEP to tell me if they're going to send a quote.

I'll send up to HQ once we get the draft close to final.
